### Store Profile

#### What You'll Find

Plenty of gingham and country charm is the trademark look for this popular chain. (Think: Body Shop meets Victoria's Secret skin care with scented goodies for home and body.) Lotions, soaps, shower gels, colognes, candles and bath supplies come in an array of delicious scents like Fresh Ginger Lime, Plumeria, Garden Mint, Sweet Pea, Cool Citrus Basil, Juniper Breeze and Whispering Woods. New scents are added often, especially around the holidays, when gift baskets for home and body line the shelves. Fun items, like flavored lip balm and accessories heavy on the glitter are also available for young shoppers, as well as a full line of naturally based skin and haircare, and cosmetics.

#### What You'll Spend

From \$3.50 for a purse size lotion to \$20 for a revitalizing face serum.

#### Don't Miss

Sweet smelling antibacterial lotions, foot sprays and soaps are supercharged to chase germs away.
